

AFSCO

Commitment

As a small minority owned business, Affordable Fastener Supply Company was started with one concept – **HONESTY**.

Honesty to our customers, vendors, and employees. With over 18 years experience in the metal fastener business, AFSCO's manufacturing, importing, and distribution capabilities result in the absolute **LOWEST POSSIBLE** cost to our customers. AFSCO specializes in corrosion resistant fasteners and can supply **imperial, metric, and domestic** hardware.
